I understand and agree that health insurance policies are an arrangement between an insurance carrier and myself. I understand and agree that all services rendered to me and charged are my personal responsibilities for timely payment. I understand that if I suspend or terminate my care/treatment, any fees for professional services rendered to me will be immediately due and payable. I also acknowledge it is my responsibility to obtain all referrals my insurance may require (ie. many insurance companies require a referral from a physician to continue seeing a physical therapist 30 days after the initial visit).

Insurance Assignment

Must be signed by all who wish to go through insurance now or in the future.

I, _____, request, authorize and further direct that any insurance company which is liable for reimbursement for services rendered make payments directly to you, I request payment of government or medical benefits to the undersigned physician's office below. I further authorize and give my permission for you to endorse checks, drafts and payments received in my behalf for medical services rendered. It is further understood that if any point the monies received exceed my indebtedness, these funds will be returned to me by your office and it is my responsibility to comply with any subrogation clause which may be contained in my medical insurance.

I herby assign and transfer to you any cause of action that exists in my favor against such company and authorize you to prosecute said actions, either in my name or your name, as you see fit. It is agreed, however that in transferring this cause of action it is agreed between all parties that your interest in this case shall be limited to the amount of medical bills rendered to me by you and your appointee. It is further understood and agreed by all parties that the transfer of this cause shall be limited to medical bills rendered on my behalf and that are related only to the case in question. For the above named purpose, I further authorize and transfer to you my limited power of attorney so that you may act in my behalf in this regard, and this regard only. It is agreed that you will make all reasonable efforts to collect sums due from the insurance carriers with a liability in this case; however, it is my ultimate responsibility to pay in full for all services rendered to me.

I herby state and agree to this authorization and assignment may not be withdrawn unilaterally.

Cancellation Policy

(To be completed by all new patients receiving Chiropractic, K-Laser, Reflexology, Acupuncture, Massage Therapy, and Nutritional Therapy)

We understand that situations arise in which you must cancel your appointment. It is therefore requested that if you must cancel your appointment you provide more than 24 hours notice. This will enable for another person who is waiting for an appointment to be scheduled in that appointment slot. With cancellations made less than 24 hours notice, we are unable to offer that slot to other people.
Office appointments which are cancelled with less than 24 hours notification may be subject to cancellation fee of 50% of the full cost of the originally schedule service, (i.e a 60 minute massage is $75 therefore cancellation fee would be $37.50).

The Cancellation and No Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

We understand that special unavoidable circumstances may cause you to cancel within 24 hours. Fees in this instance may be waived but only with management and provider approval.
